How does the TruHearing plan work?

Retiree Plan 70, Retiree Plan 80 and Retiree Plan 82

Hearing aid benefits are available to you and your covered dependents every 36 months. The Fund has chosen TruHearing to be the exclusive hearing aid network to provide members and their eligible dependents with a program for hearing tests and hearing aids.

You can purchase a hearing aid for a [discounted price from TruHearing](#) or use a nonparticipating provider and receive direct reimbursement of up to \$500 every 36 months. **For out-of-network claims first contact TruHearing at 1-877-653-8867 prior to your appointment to be eligible for a maximum \$500 direct reimbursement.**

To obtain service from TruHearing, members begin by calling the toll-free number (877) 653-8967 to schedule an appointment with a provider. You will be given the names of three participating TruHearing practitioners in your area and the nearest TruHearing store. You may continue to request additional names of participating practitioners until you are satisfied with your choices. If you have a specific hearing aid manufacturer in mind, you may also request the names of nearby TruHearing participating practitioners who carry hearing aids from that particular manufacturer. TruHearing offers hearing aids from more than 10 manufacturers.

Members and Dependents are eligible for:

- Free annual hearing screening
- In-plan Hearing Aid Benefit \$1,500 per ear (\$3,000 total) every 36 months.
- Guaranteed price discounts on all hearing aids
- Unlimited visits during the first year of purchase (adjustments, cleaning programming)
- Loaner hearing aids available when your hearing aids are being serviced
- 3-Year Warranty: repair and one-time replacement due to loss or damage (deductible applies)
- 3-Year supply of batteries
